Dear Friends,

Indeed a great pleasure for joyous journey of PPS house, dream became true because of persistent, Hard work by Dr. Mahendra B. Desai dynamic driving force for P.P.S. house. He has not left any stone unturned for creative & constructive development of PPS. Before we enter in spacious premises, managing director has given golden opportunity to me for publishing souvenir.

By grace of god I am lucky to be witness of PPS since inception. What ever plus points of PPS Souvenir are the achivement of PPS and mistakes are of mine about the souvenair.

Preparation of souvenir is labour of love with superb support of my senior collegues. We are lucky to receive messages intime from State Government, I.M.A. (HQS), Board of directors of PPS GSB IMA. We collected informative articles from our book "Dr. & Law". Dr. Gopinath Shenoy Saheb was graceful to allow useful notes and articles from his books.

(2) Abortion and the Law.

Herewith I express my sincere thanks with gratitude for advertisement in our souvenir.
