Please accept my heartiest congratulations on publishing a Souvenir of Professional Protection Scheme and about its multidimensional activities during 1994 to 2007- "Journey from A.M.A. House to PPS House. The Souvenir should act like a mirror to reflect to activities of the Wing.

It is the commitment and tradition of IMA to serve the suffering humanity with devotion and dedication. I hope, under the able leadership of its office-bearers, the Professional Protection Scheme of Gujarat State Branch will come out with effective and suggestive proposals to improve it.

I am sure, the Professional Protection Scheme will be able to achieve its desired goal.
